

AGENDA
Board of Commissioners Monthly Workshop
Monday, October 22, 2007 – 7:00 p.m.
Town Barn

1. Open the Workshop
2. Agenda Changes & Agenda Approval
3. Committee Updates and Reports
4. Update on the Nash Street Sidewalk Project (Planning Director Margaret Hauth)
5. Discussion Regarding Possible Early Application of Water Restrictions (Town Manager Eric Peterson and Town Engineer Kenny Keel)

Please see attached e-mail regarding this matter. The Town Code calls for the water restrictions to start when the supply is down to 180 days, as of October 12th our supply was at 228 days per the attached e-mail from Town Engineer Kenny Keel.
6. Discussion Regarding Revisions, as of October 17th, to the Proposed Boone/Collins Development Master Plan (Town Board and Planning Board)
7. Determine if and When the Board is Interested in Conducting a Brainstorming Session at a Future Workshop to Develop Possible Ideas to Encourage and Make it Easier for Town Employees to Live in Hillsborough (Town Manager)
8. Other
9. Closed Session to Discuss Property Acquisition in Multiple Locations
10. Adjourn
