Water Lateral Fee for a 1" service is \$1,250.

Developments with larger than 1" water service provide their own lateral connection(s).

Meters that are larger than 1 ½" are required to have a strainer and installation is to be completed by a licensed utilities contractor.

Large fire or sprinkler service connections are made by the developer at his expense according to the printed Town specifications. The Town Engineer or Utility Inspector is consulted during installation for inspection purposes. Fire service meters are required for tank systems.

An \$800 refundable deposit will be charged for the use of the hydrant meters.
